PRESS RELEASE FOR IMMEDIATE RELEASE:

Local Physician Achieves Board Certification

The American Board of Family Medicine is pleased to announce the successful completion of its Recertification Examination by Dr. Steven Bimson. Board certification confers a standard of excellence in knowledge and practice to physicians who not only certify via the examination process, but who also work diligently on the maintenance of these skills during the seven-year cycle between examinations. Steven Bimson, M.D. is a family practitioner with TriValley Primary Care, Indian Valley Office in Souderton.

The American Board of Family Medicine (ABFM), one of twenty-four Member Boards of the American Board of Medical Specialties, is the second largest medical specialty board in the United States. To achieve recertification by the ABFM, a family physician must verify the completion of at least 300 hours of acceptable continuing medical education over the past six years; possess a full and unrestricted license to practice medicine in the United States; and successfully complete a one-day, written examination of cognitive knowledge and problem-solving abilities. This examination covers the disciplines of the specialty including, but not limited to: adult medicine; care of newborns, infants, children, and adolescents; maternity and gynecological care; community medicine; care of the older patient; human behavior and mental health; and care of the surgical patient.

Dr. Bimson, with TriValley’s other 28 primary care physicians and 5 nurse practitioners, is committed to providing quality medical care in the community. TriValley Primary Care is the premier primary care group practice with seven offices serving southeast Pennsylvania’s Bux-Mont region with offices in Harleysville, Perkasie, Pennsburg, Telford, Lansdale, Quakertown, and Souderton. Additional information regarding Dr. Bimson or TriValley Primary Care can be found on-line at www.trivalleypc.com
